

For accuracy please remove the existing smoke vent to measure the inside and outside curb dimensions, and also ensure the existing curb is structurally sound.

Always use proper safety precautions when working on the roof.

If more than one size smoke vent is needed, please provide the following info:

1. Smoke Vent Quantity: _____ Existing Curb Outside Dimensions: _____ X _____
2. Smoke Vent Quantity: _____ Existing Curb Outside Dimensions: _____ X _____

Please let us know if you need -

Roof Curb, Skylight, Safety Screen, Roof Hatch, External Roof Ladder, or Guardrails
