

SUNOPTICS[®] Clip On Guard INSTALLATION REFERENCE GUIDE

CAUTION! READ PROCEDURES COMPLETELY BEFORE PROCEEDING WITH INSTALLATION

Details Not To Scale

INSTALLATION PROCEDURES

- STEP 1:** Remove Skylight from curb if installed and verify dimensions, inside curb dimensions should be .25 to .625 inches larger Clip on Guard dimensions
- STEP 2:** Once dimensions are verified place the clips (Fig. 1) on the outer edge of the Guard (see Fig. 3).
- STEP 3:** Place the Clip on Guard onto the curb, insuring the guard is centered within the curb, then attach clips using supplied screws (Fig. 2)
- STEP 4:** Install the remaining clips 12" apart from each other and centered (see Figure 3).

**READ AND FOLLOW ALL SAFETY INSTRUCTIONS!
SAVE THESE INSTRUCTIONS AND DELIVER TO OWNER AFTER INSTALLATION**

- To reduce the risk of death, personal injury or property damage from fire, electric shock, falling parts, cuts/abrasions, and other hazards please read all warnings and instructions included with and on the skylight equipment.
- Before installing, servicing, or performing routine maintenance upon this equipment, follow these general precautions.
- Installation and service of skylights should be performed by a **qualified person**.
- Maintenance of the skylights should be performed by person(s) familiar with the skylight’s construction and operation and any hazards involved. Regular skylight maintenance programs are recommended.
- It will occasionally be necessary to clean the outside of the skylight. Frequency of cleaning will depend on ambient dirt level and minimum light output which is acceptable to user. The skylight lens should be washed in a solution of warm water and any mild, non-abrasive household detergent, rinsed with clean water and wiped dry. Should the skylight lens become dirty on the inside, wipe the skylight lens and clean it in the above manner.
- **DO NOT INSTALL DAMAGED PRODUCT!** This skylight has been properly packed so that no parts should have been damaged during transit. Inspect to confirm. Any part damaged or broken during or after assembly should be replaced.
- These instructions do not purport to cover all details or variations in equipment nor to provide every possible contingency to meet in connection with installation, operation, or maintenance. Should further information be desired or should particular problems arise which are not covered sufficiently for the purchaser’s or owner’s purposes, this matter should be referred to Acuity Brands Lighting, Inc.

**CAUTION
RISK OF INJURY**

- ✓ Wear gloves and safety glasses at all times when installing, servicing or performing maintenance to the skylight.

**WARNING
RISK OF ELECTRIC SHOCK**

- ✓ Disconnect or turn off power before installation or servicing. Be aware of power near the installation area of the skylight.

Please see product specific installation instructions for additional warnings or any applicable FCC or other regulatory statements.

**Failure to follow any of these instructions could void product warranties.
